# YOUR LANDLORD ASKS ALL CUSTOMERS, ARE YOUR HOME CONTENTS INSURED?

Your landlord does not automatically insure your furniture, belongings and decorations against fire, theft, vandalism or water damage such as burst pipes.

So we have arranged with Royal & Sun Alliance Insurance Ltd a home contents insurance scheme for tenants or leaseholders of your landlord to give you financial protection should these types of events happen. Or you could make your own home insurance arrangements.

## Easy payment

The cost of this insurance can be paid:

- weekly, fortnightly or monthly by payment card,
- monthly by Direct Debit
- in one upfront payment for the year by cheque, debit or credit card.

If you use your credit card to pay your provider may charge you interest, which could increase the amount you pay for this insurance.

This is a monthly policy, so your cover renews every month as long as you make a payment. Each year a review of your policy terms, conditions and price will take place on a set date. We will send you all the details you need for the following year, including your new price.

## What is covered?

There are 2 levels of cover for you to choose from: Standard and Accidental Damage.

- Standard provides cover for the contents in your home against loss or damage caused by specific events such as theft, fire and flood.
- Accidental damage cover has all the benefits of Standard cover and for an additional premium provides you with extra accidental damage cover for the contents in your home.

You should choose the level of cover which meets your specific needs.

### Standard

- Your home contents and personal items including bicycles and computer equipment are insured when in your home.
- They are covered against loss or damage caused by specific events such as theft, fire and flood, but accidental loss in the home is not covered.
- Also insured are lost or stolen keys, freezer contents, your legal liability to the public as occupier of the home or personally, and the cost of alternative accommodation.
- Improvements you have made to your home such as fitted kitchens, bathrooms, wardrobes, laminate flooring, patio doors etc (but not conservatories).
- Under Standard cover, accidental breakage cover is automatically provided for mirrors, ceramic hobs in cookers or in work tops, or glass which form part of the furniture in your home.
- Standard cover also automatically provides accidental damage cover for home entertainment equipment such as TV, video, audio, satellite and computer equipment in your home. However, this does not cover accidental damage for all of your home contents, for this please choose Accidental Damage cover.

### Accidental Damage

- This provides full accidental damage cover for the contents in your home, so for example, repair or replacement if you accidentally broke a vase or spilt wine on a sofa.

You also have the options to add cover for accidental loss or damage for your Personal Belongings, Hearing Aids, Wheelchairs or Bicycles inside and outside of your home to Standard or Accidental Damage cover. The costs for these covers are detailed in step 4 of this pack.

### Special, low, minimum sums insured

The lowest amount that can be insured is:

- £4,000 for all tenants

**This document is available in large print and braille if required.**

## 5 EASY STEPS TO PROTECT WHAT YOU OWN

- 1 Read the Insurance Product Information Document provided separately with this pack and the Essential Information Document included in this application form.
- 2 Add up how much money it would cost to replace your contents as new using the diagram in STEP 2 below.
- 3 Decide what cover you need after reading the Insurance Product Information Document and the cover options in STEP 3.
- 4 Check the cost for your choice of cover, with the total contents sum insured you need using the premium tables in STEP 4.
- 5 To apply call us on 0345 671 8172.  
Or read, complete and sign this application form and post it to RSA Customer Services, PO Box 1189, Doncaster, DN1 9PR.

**For general enquiries please call 03456 718 172. Calls may be recorded or monitored.**

# STEP 2

**Add up how much money it would cost to replace your contents as new. You should add up the value of all items at their current replacement cost. We may reduce the amount we pay for clothing and household linen due to normal use or ageing in the event of a claim.**

**It is important not to undervalue your contents otherwise we will not pay the full value of your claim.**

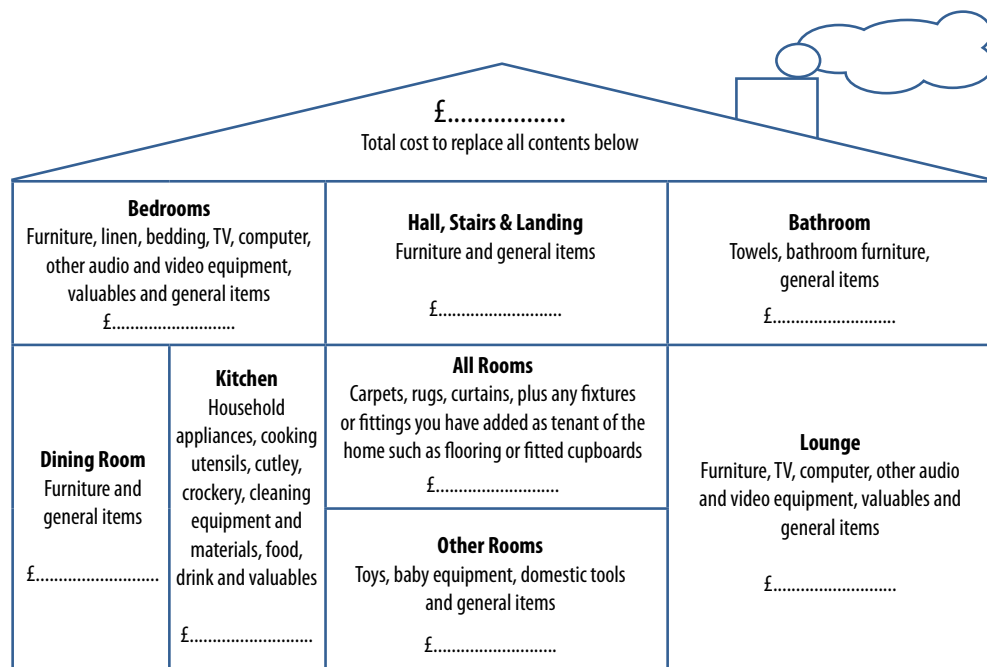

## Making sure your sums insured are enough

It is your responsibility to ensure that your chosen sum insured is the same as the total cost of replacing all of your home contents and personal belongings as new (less an amount we may take off for normal use or ageing for clothing and household linen).

If you have underestimated this amount any claim you make will be reduced by the same percentage amount you have underestimated. For example, if your contents sum insured only covers half of the cost of replacing all your contents, we will reduce your claim by half.

We will not pay more than your chosen sum insured. You'll find more details on this in your policy.

You should check that the limits for valuable items, such as jewellery and watches, and for any items you wish to cover away from your home under the optional covers, provide you with the amount of cover you need.

# WHAT THE POLICY COVERS . . .

## STEP 3

### Decide what cover suits you

#### Standard Cover

Your home contents and personal belongings - furniture, TV, clothing, carpets and electrical goods are insured against loss or damage while they are in your home. The insurance covers specific events including theft, vandalism, fire, flood and escaping water (e.g. from a washing machine or bath).

Tenants liability - provides cover up to 20% of the contents sum insured or £2,000 (whichever is greater), for repair or replacement, if you are legally liable as a tenant for damage to your home under the terms of your tenancy agreement.

Accidental breakage covers the cost of repair or replacement while in your home, for accidental breakage of mirrors, ceramic hobs in cookers or in work tops, or glass which forms part of the furniture in your home.

Accidental damage cover is provided automatically to cover the cost of repair or replacement to home entertainment equipment such as TV, video, audio, satellite and computer equipment while in your home and fixed aerials, masts and satellite dishes attached to the home. However, this does not cover accidental damage for all of your home contents, for this please choose Accidental Damage cover.

Fridge/Freezer food - the cost of replacing food in your freezer or fridge in your home that has been spoilt by an accidental change in temperature in your freezer or fridge up to your chosen Contents Sum Insured.

Locks and Keys - covers the cost to replace the lock mechanism or to change the locks if the keys to the external doors of your home or to alarms in your home, are accidentally lost or stolen up to your chosen Contents Sum Insured.

£5,000 Accidental Death benefit - if you die as a result of an accident in your home, while travelling as a fare paying passenger by train, bus or taxi, or as a result of an assault in the street.

Contents while in the open - covers loss or damage to the contents of your home while in the open, on land which belongs to your home and in communal areas. It provides the cost of repair or replacement for specific events including theft, fire and flood up to £500.

Student possessions which belong to or are the legal responsibility of students while temporarily removed from your home to student lodgings are covered for the cost of repair or replacement up to £2,500. This covers specific events including theft, fire and flood.

We will pay up to £300 for the theft of money following illegal entry into your home by a person or persons falsely claiming to be an official.

Protection for the valuables in your home, items which are particularly prone to theft. These are jewellery, watches and items containing gold, silver or platinum. This covers the cost of repair or replacement if they are damaged or stolen. A single item limit of £1,500 applies. If any single item is worth more than £1,500, this is the most we will pay. The most we will pay for all your valuables in total is one-third of your chosen contents sum insured or £5,000 (whichever is greater).

If you choose a contents sum insured of £4,000, the most we will pay for your valuables is £4,000.

Cover for loss or damage to office homeworking equipment which is computer, telecoms and office equipment, office furniture and stationery used for business purposes. It provides the cost of repair or replacement for specific events including theft, fire and flood up to £1,000.

No excess applies to this cover, so you do not have to pay an amount towards any claim you make.

### Accidental Damage Cover Option

All the cover provided by Just For You standard cover, with added accidental damage cover, which provides the cost of repair or replacement for your contents and personal belongings, such as, furniture, carpets, sofas and electrical goods while in your home, against accidental damage that may be caused, for example, a paint spill on the carpet whilst decorating. This cover excludes damage to clothing, contact lenses, plants and deterioration of food and drink.

No excess applies to this cover, so you do not have to pay an amount towards any claim you make.

### Optional Covers - available for both Just For You standard and accidental damage cover. See STEP 4 for information on cost.
