LICENSING OBJECTIVES		
Describe the steps you in	ntend to take to promote the four I	icensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The management of the premises is committed to upholding all four licensing objectives, the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm. To achieve this, the following general measures will be in place:

- The premises will be operated in a responsible and well-managed manner at all times
- Staff will receive regular training on licensing law, responsible alcohol sales (where applicable) and customer safety
- CCTV will be installed and maintained to cover key areas of the premises, with recordings retained for a minimum of 28 days and made available to authorities on request
- Clear signage will be displayed requesting customers to be considerate of neighbours and to leave the premises quietly
- A refusals and incident log will be maintained and reviewed regularly
- The premises will maintain good communication with local authorities, police and community representatives to ensure compliance with all relevant legislation
- All activities will be risk-assessed and supervised to ensure a safe and welcoming environment for customers and staff

# b) The prevention of crime and disorder

The premises will be managed responsibly to prevent crime and disorder. A CCTV system will be installed and maintained, covering all customer areas, entrances and exits with footage kept for at least 28 days. Staff will be trained to recognise and handle challenging behaviour, refuse service to intoxicated or aggressive individuals and report incidents promptly to the police when necessary. The management will maintain close communication with local authorities and the police ensure adequate lighting inside and outside the premises and operate a zero-tolerance policy toward drugs, violence and antisocial behaviour.

# c) Public safety

The premises will be maintained to a high standard to ensure the safety of all customers and staff. Fire safety equipment, including extinguishers and smoke alarms will be regularly checked and maintained. Clear emergency exits will be marked and kept unobstructed at all times. Staff will receive training in basic health and safety procedures including emergency evacuation and first aid. The layout of the Cafe will allow safe movement for customers and risk assessments will be regularly conducted to identify and address any hazards. Adequate lighting will be provided both inside and outside the premises to ensure safe access and egress.

# d) The prevention of public nuisance

The premises will operate in a manner that minimises disturbance to neighbours and the surrounding area. Customers will be asked to leave quietly with clear signage displayed to remind them. Waste and litter will be regularly cleared from the premises and surrounding areas including cigarette butts. Any deliveries or collections will be scheduled to avoid late-night noise and noise from music, ventilation or equipment will be kept at a reasonable level. Management will promptly investigate and address any complaints from the public regarding nuisance or disturbance.

# e) The protection of children from harm

The premises will ensure that children are protected from harm at all times. Children will only be allowed on the premises under appropriate supervision. Where alcohol is sold, robust measures will be in place to prevent sales to anyone under 18, including staff training and the use of acceptable ID checks (e.g., PASS scheme, driving licence, or passport). No adult entertainment or activities unsuitable for children will take place on the premises. Management will monitor and control access to ensure that children are not exposed to any risks associated with licensable activities.

## NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

# Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

# Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <a href="https://www.gov.uk/prove-right-to-work">https://www.gov.uk/prove-right-to-work</a>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
