

Support nature's pollinators

Join us for a Bumblebee Walk

BUZZING AROUND THE
FLOWERS

Discover the wonders of bumblebees with our regular bee counting walks. Learn how to monitor our local bumblebee population and join our volunteer group. Bumblebees are in crisis and regular counts can help the conservation groups monitor their progress.

No experience necessary just come along and meet like minded people for a guided bumblebee count across Coronation Park & Cadley Park. Get to know your local park and local residents whilst supporting bumblebee conservation.
