Dear Sir / Madam,

Regulation 19 Addendum Consultation: Proposed Modifications to South Derbyshire Local Plan Part 1 Review Publication Version (2022-2041)

Thank you for the opportunity to comment on the proposed modifications to the South Derbyshire Local Plan Part 1 Review document. This is an officer response on behalf of East Staffordshire Borough Council.

We recognise that representations at this stage should focus on the grounds of legal compliance and soundness as set out in the National Planning Policy Framework (NPPF) and should only relate to the proposed modifications and the evidence supporting them.

The proposed modifications do not raise any legal compliance or soundness concerns from an East Staffordshire perspective.

We acknowledge and appreciate that South Derbyshire District Council has engaged constructively with East Staffordshire Borough Council as part of the Council's Duty to Cooperate.

Yours faithfully,

David Clarke
Senior Planner (Policy)
