[REDACTED],

Thank you for consulting us on the Local Plan Part 2 review. Can you record these comments from Derby City Council in draft until the end of next week, just because with staff absence I haven't been able to get final sign off- however I don't believe they are likely to change substantially. If you don't hear any more from us, do take them as read. Please acknowledge receipt.

DCiC comments:

"We support the production of the South Derbyshire Local Plan Part 2 Review and thank you for the offer to comment. We note the proposed allocation of land south of Mackworth (FLG1) and will value continued HMA discussions on cross-boundary sites and how they can be best master planned and phased to ensure good delivery of infrastructure and high-quality development. We support the principles set out in the consultation and look forward to further detail as the plan advances."

Kind regards,
