4.

Are there any other issues that the Council should consider when ensuring the timely delivery of the right homes in the right places (e.g. policy criteria for looked after children, re-allocating unimplemented employment allocations)? (Please provide an answer to your question)

☒ Yes

☐ No

Please enter any additional comments

In relation to homes for looked after children, while they should as closely as possible resemble private residences, they remain a business and consideration should be given to ameliorating the effects of a business's greater defences against complaints of nuisance and the provision of on site parking for staff that will accommodate the requirements of staff from two shifts as there will need to be a continuous staff presence.

5.

What specific accommodation needs should the Local Plan address through allocations (e.g. extra care accommodation for older people, care home provision for looked after children etc.)? (Please provide details)

9.

Do you agree that settlement boundaries should be drawn around the urban edge of Derby, Drakelow and Stanton and any new allocations?

(Please provide a reason for your answer)

☐ Yes

☐ No

Please enter any additional comments

Allocations around Derby should be enabled to integrate with the City's public transport networks and be close to the City.

10.

Do you agree with the principles for assessing the settlement boundaries, as set out in Appendix 1? (Please provide a reason for your answer)

☐ Yes

☐ No

There is a national problem of loss of biodiversity, in particular the reduction in insect numbers. When applications for solar farms are considered, the opportunity should be taken to require ground level planting of species that would promote pollination and maximise insect populations. Why accept 10% BNG, if 150% BNG is possible?

22.

Are there any amendments required to the existing policies to reflect implemented changes to national planning policy, policy guidance or Regulations? (Please provide a reason for your answer)

☐ Yes

☐ No

24.

Where there is the potential need for long-term management / maintenance of open space, SUDS or other infrastructure, should the Council introduce a policy requiring these to be adopted by a public authority unless there is clear evidence that this is not feasible. (Please provide a reason for your answer)

☒ Yes

☐ No

Please enter any additional comments

This is the best way to ensure that a good standard of long term management does take place.
