South Derbyshire District Council is not responsible for any information supplied/activities provided by other agencies, which is included in this publication.

WELCOME

The Active Community Directory is packed full of information about all your local sports clubs, activity groups and facilities. This is a great starting point for anyone who wants to find out more about the activity opportunities available for them in the District.

How the Directory Works

Each club is categorised by sport, alphabetically. Under each club you will find useful information such as its website, key contacts (where available) and where it is based.

Clubmark and Accreditation

Clubmark is the universally acknowledged cross sport accreditation scheme for community sports clubs. It shows that a club provides the right environment which ensures the welfare of members and encourages everyone to enjoy sport and stay involved throughout their lives.

An accredited club is recognised as a safe, rewarding and fulfilling place for participants of all ages as well as helping parents and carers know that they're choosing the right club for their young people.

Clubs in South Derbyshire that have achieved this standard or a National Governing Body equivalent are highlighted in this directory.

Guidance

All the information listed is correct at the time of printing and subject to change without notice.

The quality of all clubs cannot be guaranteed. It is strongly advised that parents/guardians check that:

- ▶ Clubs have a child protection policy
- ▶ Staff/volunteers/coaches are Disclosure and Barring Service (DBS) checked
- ▶ Coaches and volunteers are appropriately qualified in their sport.
- ▶ Adequate insurance cover is in place

How to get Involved

If you wish to be listed in a future copy of this directory please visit www.southderbyshire.gov.uk/directory to submit an entry request.

1. The provision of a Sports Pass, which allows free use of certain sports facilities for training purposes at Green Bank and Etwall Leisure Centres.
2. A small financial grant for training and coaching expenses, travel costs or the purchase of specialist equipment.

For further information please contact:
